## WHAT ATTENDEES ARE SAYING

### Rich Community Experience

"Everyone was so happy to be there; the unity and love between the brothers and churches, the graciousness of the speakers, the hunger for the Truth, meeting new people/pastors... and much more!"

### Deep Biblical Learning

"I've come away desiring to understand the creeds and confessions at a deeper level, while rejoicing that indeed Scripture is the only infallible truth. I was struck by how we must first explain Who God is when evangelizing, then carry on to what Christ has done for sinners."

### Excellence in Organization

"The organizational aspects of the conference from start to finish were so orderly & exceptionally communicated, incredible food, wonderful fellowship of brethren, & an emphasis of unity amongst Christians holding to reformed and historic evangelical beliefs."
